Information pack on domestic and family violence, sexual assault and forced marriage

The Australian Government has developed a family safety pack with information on Australia's laws regarding domestic and family violence, sexual assault and forced marriage. The family safety pack also includes important information about the essential services and emergency contacts in Australia. This information can be found at www.dss.gov.au/familysafetypack.

Character requirements

Entering or remaining in Australia is a privilege. You must obey the law and not engage in criminal activity.

Your visa may be cancelled for a number of reasons, including if you have a substantial criminal record or behave in a way that is a risk to somebody in the Australian community.
